- 14 days open purchase, on everything.
- Safe and secure shopping - pay by credit card or Pay Pal.
- Flexible delivery options that include home delivery or to pick up at the gallery or directly through the artist.

## Payments

With us, you choose to pay by credit card or Pay pal. Payment methods are handled by Pay pal.

## Prices

Prices are stated in most cases including VAT but excluding the price for shipping

## Delivery

Delivery within Sweden is priced at SEK 650 including VAT (provided that the artwork does not require special handling or similar). We work with companies that specialize in art and antiques, which means that the art is handled very carefully and that you must be present at delivery. It is also possible to arrange for the collection of the artwork yourself - of course at no cost.

## Returns

You have the right to cancel your purchase within 14 days. Contact us as soon as you can, and we will find the easiest way to return the artwork. The cost of returning the artwork will unfortunately be paid by you as the buyer.

If you make any changes to the artwork, such as adding a frame or glass box, we are unable to offer a return, as it has been customized to your request. If you are unsure of what to do, get in touch and we will give you advice and guidance to make you feel safe.
